## **Hello, brides and grooms!**

So you've decided to write your own vows... And now it feels a little overwhelming, right? Don't sweat it. Wedding planning can be stressful, and it's very common to experience writer's block. This guide will jumpstart your writing process and get your inspiration flowing! On the following pages, I've written prompts that cover every topic your vows might address. Many of the prompts are questions I would ask during a consultation--but now they're yours *for free*.

As always, if you want more help, visit [bespokeexpressions.co](https://bespokeexpressions.co) or email me at [lilycorley.bespoke@gmail.com](mailto:lilycorley.bespoke@gmail.com)!

**You may now kiss your writer's block goodbye!**
